

## **PRESS RELEASE**

### **Pomeroy Pressroom Products Ltd to manage Dot Works UK facility.**

**National Prepress and Print consumables and accessories specialist, Pomeroy Pressroom Products, are to provide warehousing, distribution and technical support for Dot Works USA, to enhance existing supply of Dot Works Plates, Film and Inkjet Media to the UK and Eire market.**

Pomeroy Pressroom Products are pleased to announce the improved supply arrangements for Dot Works products for the UK and Eire effective as of 15<sup>th</sup> June 2009.

"The decision to move the existing warehousing from our current site in Stockport and the accounting from Port Washington New York was taken to ensure maximum supply efficiency and to eliminate unnecessary costs for the benefit of our valued UK customers" said John McCusker, Founder of Dot Works....."We have looked at several possibilities and came to the conclusion that with PPP as a full partner we would not have concerns with creating competition for our existing UK distributors".

Andy Beesley (Technical Sales Director) of Pomeroy Pressroom Products, commented "We are pleased to be working alongside Dot Works who have in-depth knowledge of Analogue, Digital, Aluminium and Polyester Litho Plates, Inkjet Media and associated colour management products, they have become synonymous with quality and service. This partnership gives us a great opportunity to enhance our already extensive product portfolio. Dot Works are excellent at bringing exciting and competitive products to market and are well known for their conversion facility, we feel we can add a professionally managed route to the market place not only in the UK and Ireland but also throughout our export channels in EMEA (Europe, the Middle East and Africa) via our Direct Sales team and Dealers."

Dot Works have a wide range of products suitable for Lithographic, Flexographic, Letterpress, Screen and Digital Pre Press all of which can now be purchased in the UK and EIRE regions via Pomeroy Pressroom Products.
